SCOUTMASTER'S REPORT:

- Gary reported the boys went to Silver Mountain Water Park in place of a campout last month. Thank you to Gary Majors for driving the boys even without a boy attending.
- March was crossover for several Packs in the area. This is always exciting as it brings new life to the troop. We will get 8 boys from Pack 420, with 11 total new scouts. The committee discussed having a new parent meeting next Monday March 26 at 7pm.
- The March campout will be at the Cheney Wetlands. The boys will hike in a mile to camp.
- Next month will be the Spring Camporee. There are two camps the boys need to choose from.

TRAINING: Eric Lobdell and Grant VanSteenkist need to complete training or they will become committee members rather than ASM's.

MEMBERSHIP: All the new boys have their binders and Michelle will be ordering t-shirts soon.

EQUIPMENT: Tyler Haase came to the committee asking for supplies for the Patrol boxes. He will come up with a list and we will send an email asking for donations.

FUNDRAISING: Carolyn introduced us to the flower sale fundraiser. 66% of sales will go to the scouts. 33% to the troop. Delivery will be May 4th. Pick up will be May 4th and 5th.
