One scout from Pack 485 is looking at our Troop and will contact us when a decision has been made.
- May-The Troop is looking at the Spring Council Camporee. Gary will be talking with the Troop tonight to get opinions. The boys may not be participating and having a campout instead.
- Adam Blyckert has approached Gary about possibly becoming a Junior Assistant Scout Master. Gary spoke about how he thinks it would be a great way to keep Adam active in the Troop. He is a leader and has a lot of skills to share and teach the younger scouts. A motion is made by the committee and voted on. Adam will now be a JASM.
