## **SCOUTMASTER'S REPORT:**

- The boys went to Silver Mountain Water Park instead of a campout last month. Everyone had a great time but there was no trip permit done. We need to be more careful.

- There are several boys signed up for the 150 mile bike ride this summer (June). They are also working toward the Bicycle Merit Badge. They have several training rides scheduled to help get into shape and check gear.
- March 18<sup>th</sup> is Crossover for Pack 420. There will be 11 scouts coming from this Pack. Gary has not heard from any other Packs.
- Pack 420 second year Webelos are asking for a Den Chief. Tyler Durall approached Gary about doing it and will be doing this starting in the Fall. Den Chief training will be in April.
- At the PLC last week, the boys decided they wanted to go to the Council May Camporee and are forming a committee to design our booth.
- The April campout will be planned by the Geckos. They are getting a schedule of things they are doing to Gary.
